# PART- 01

## Photo Booth Introduction

## All-in-One Payment Photo Booth Solution for Passive Income

With 14 years of expertise, PhoPrint offers a versatile range of payment-enabled photo booths (enclosed and open-air styles), all powered by our unified PhoPrint software. Designed for high-traffic venues like bars, malls, and amusement parks, these booths support cashless/cash payments and deliver Webcam/DSLR-quality prints with social sharing. Whether you need portability (with wheels) or elegant wooden enclosures, each model is a turnkey revenue generator—perfect for hands-off profits. PhoPrint software, endless opportunities.

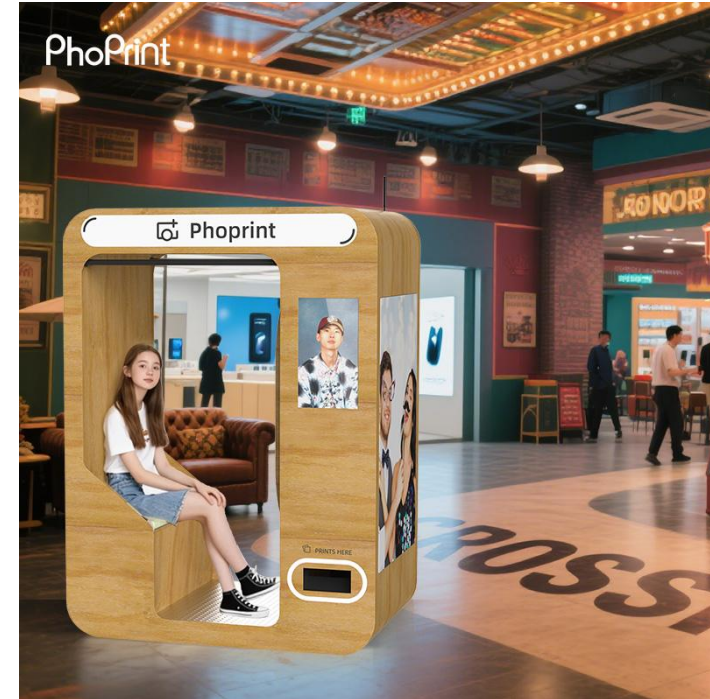

# (1) Concept of PhoPrint

## PhoPrint's Innovative Approach

PhoPrint revolutionizes the photo booth industry by offering a smart, payment- integrated solution that generates substantial profits for venue owners with zero upfront costs.

## The Global Presence of PhoPrint

With a proven track record in bars worldwide, PhoPrint has established itself as a reliable and profitable addition to any venue, ensuring an 80% revenue share for partners.

## (2) PhoPrint's Smart Features

PhoPrint

### The Intuitive Touch Screen Interface

# PART- 02

## Case Study

# (1) A Rapid Expansion Success Story

## Business Growth

Global Expansion with 80% Profit Share

## Client and Solution

A nightclub chain deployed PhoPrint payment booths (enclosed wooden & open-air models) across 5 countries, scaling from 1 pilot unit to 50 within 6 months. All units use the same PhoPrint software, ensuring consistent revenue tracking.

## (2) Implementation of PhoPrint

PhoPrint

### **Solution: Payment Photo Booth and Revenue Share Model**

Discover how the Payment photo booth, coupled with an 80/20 revenue share model and Nayax payment integration, led to a substantial increase in the client's profits.

### **Technical Support Package: Ensuring Smooth Operations**

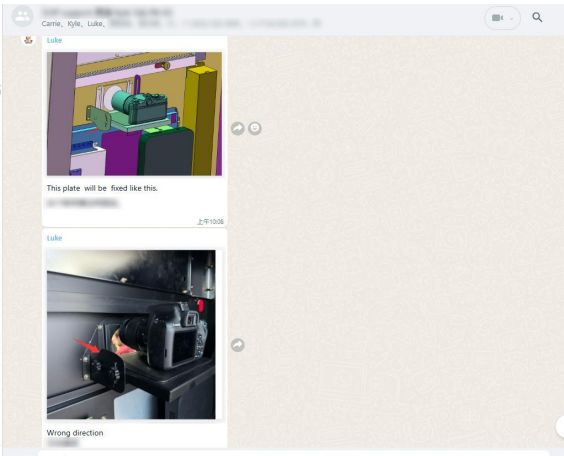

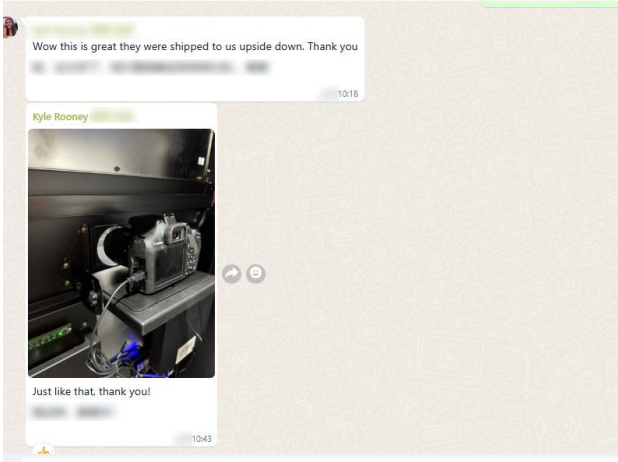

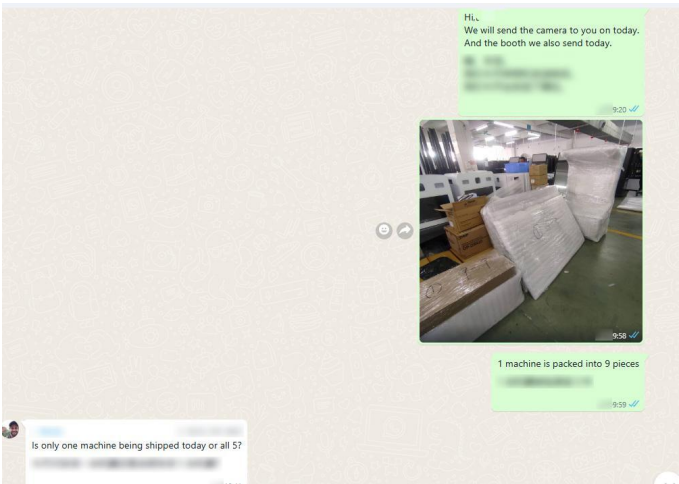

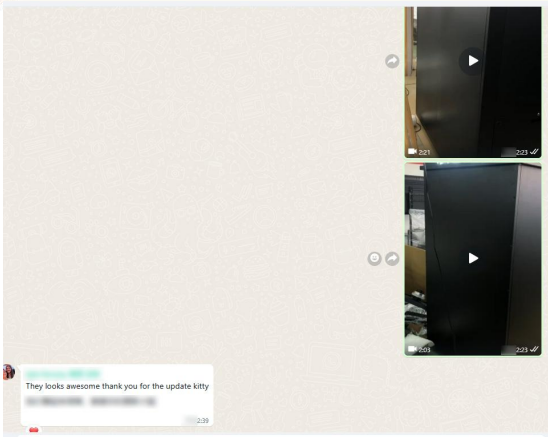

Learn about the importance of a full technical support package in facilitating the seamless operation of PhoPrint photo booths in any venue.

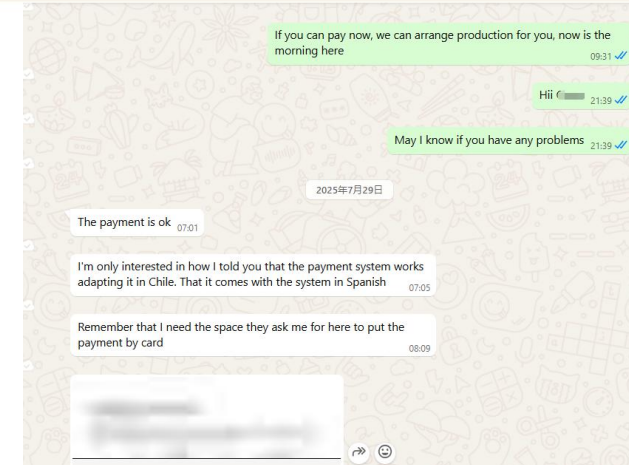

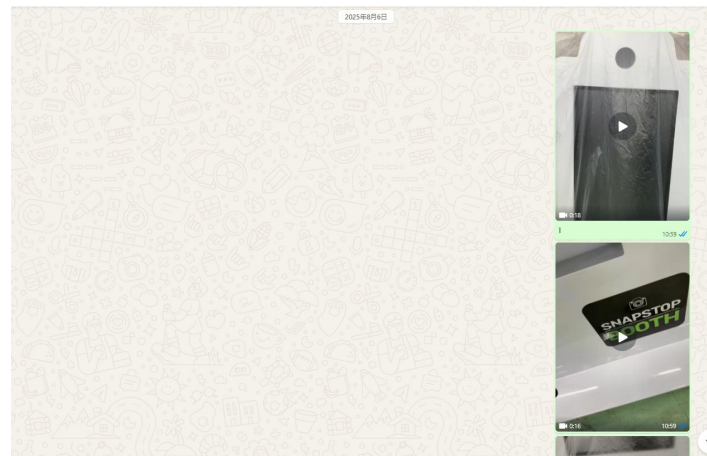

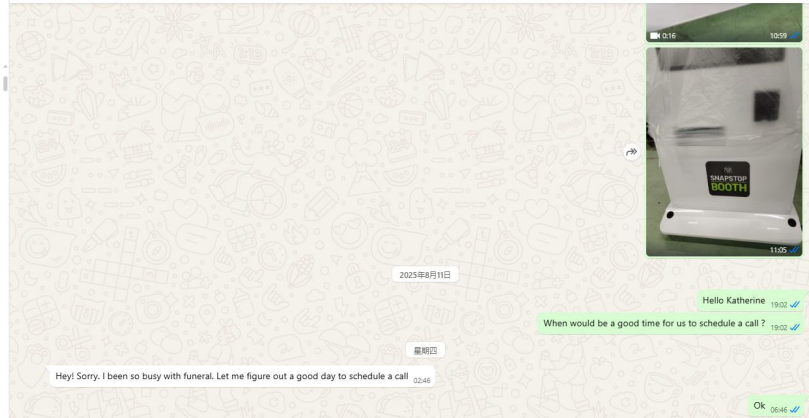

"The PhoPrint booth paid for itself in 3 months. We now deploy them in malls, airports, and weddings—all managed through one dashboard."

– Mark T., Chain Venue Owner (12 Units)

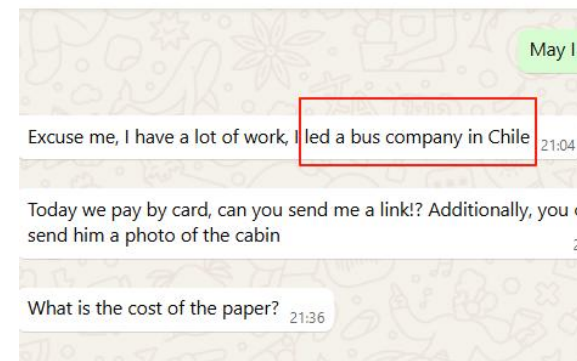

"¡Los PhoPrint se pagaron solos en 10 semanas! Ahora tenemos 15 unidades en centros comerciales y aeropuertos de Santiago - todo controlado remotamente desde nuestra oficina."  
– Carlos M., Operador de Entretenimiento (15 unidades)

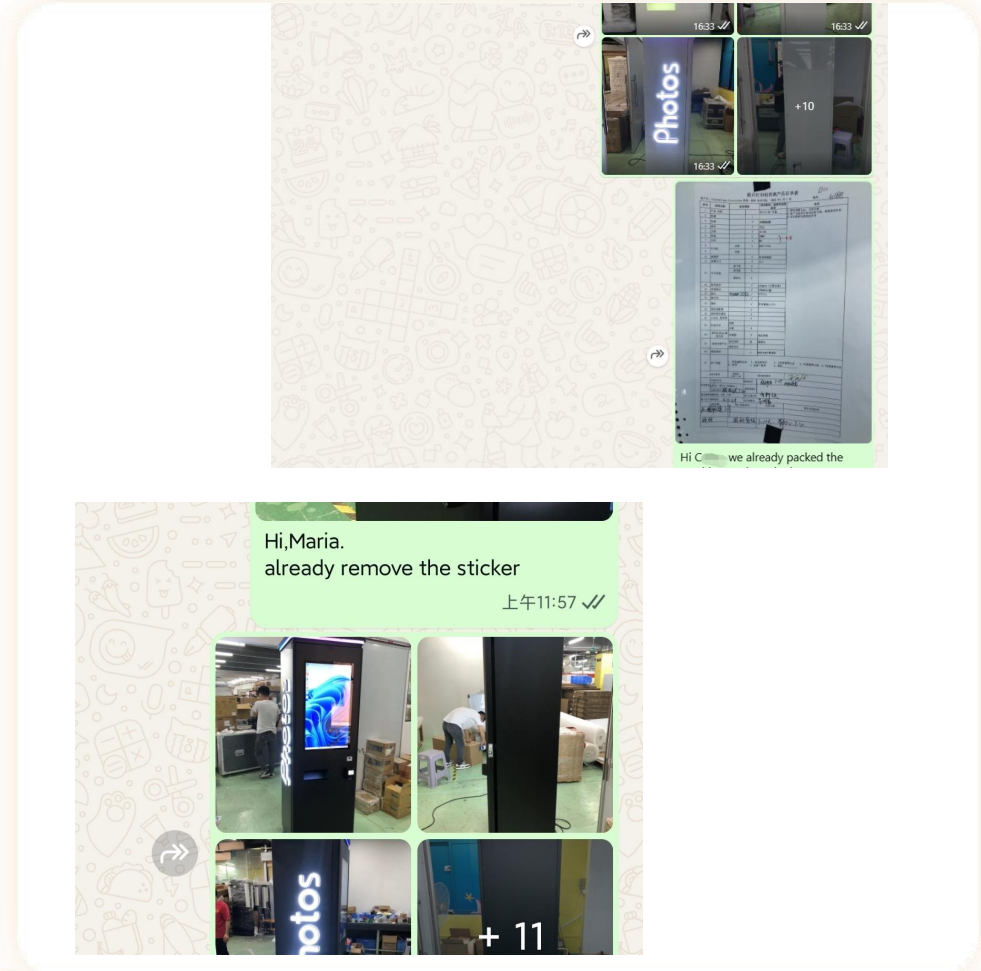

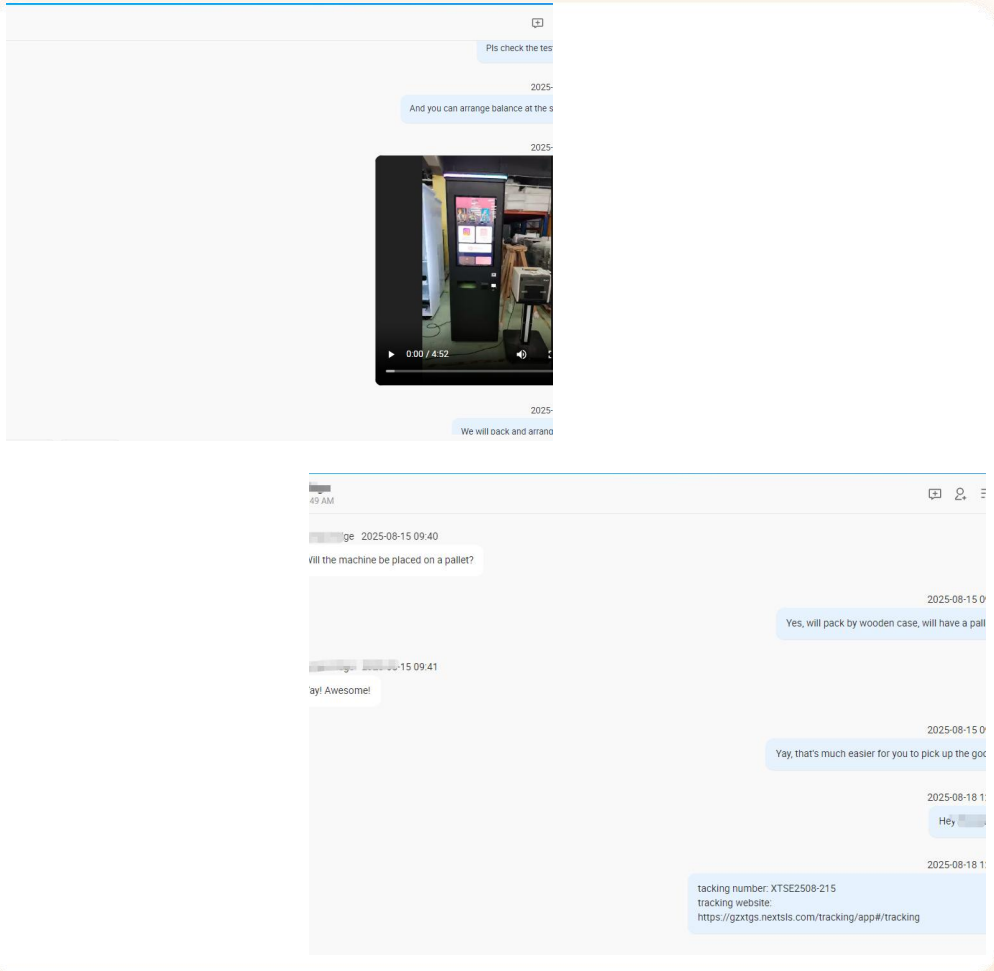

Chile H series

"The PhoPrint booth recovered its cost in 12 weeks flat. We've since expanded to 20 units across London shopping centres and football stadiums - all earning while we sleep."

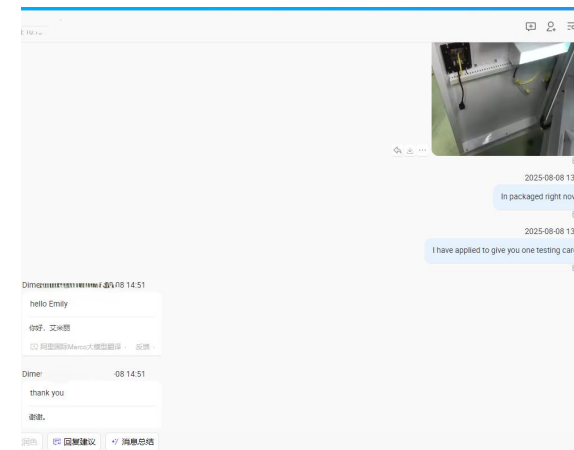

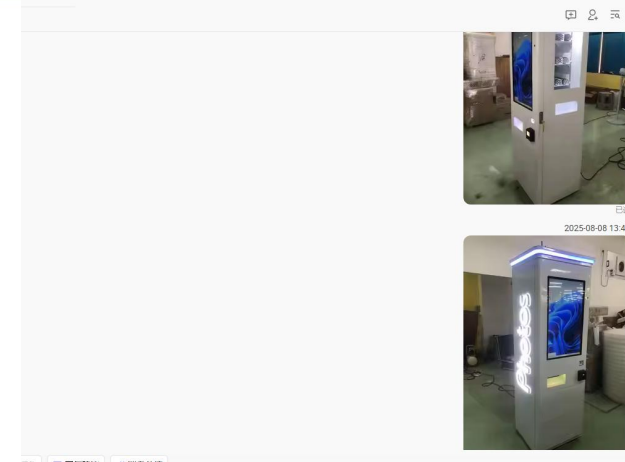

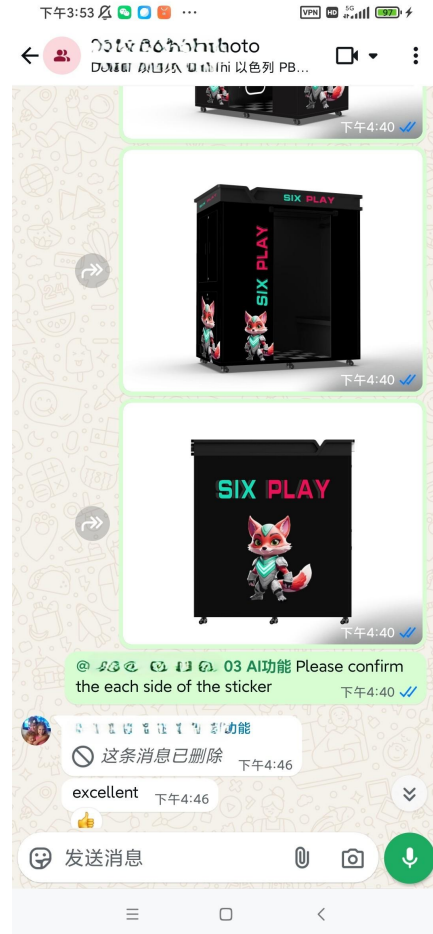

– David K., Hospitality Group Director (20 units)

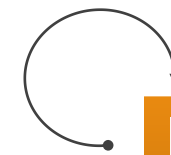

PhoPrint paid for itself faster than any other venue investment we've made. Now running 35+ units in Vegas casinos and California malls - the passive income is unbelievable."

– Jessica R., Entertainment Chain CEO (35 units)

## PART- 03

# Business Model and ROI Analysis

# ★ (1) Profit-Sharing Partnership

## Zero Upfront Cost: PhoPrint's Generous Offer

Delve into the advantage of zero upfront costs, where PhoPrint provides the photo booth, allowing venue owners to start earning profits immediately.

## The Revenue Structure: A Fair Share for All

Examine the revenue structure, with \$7 per print and an 80% revenue share going to the partner, ensuring a profitable venture for everyone involved.

## (2) Return on Investment

### 120 DAYS FAST ROI

#### Monthly Revenue Projection

| Metric        | Calculation                                              | Amount  |
|---------------|----------------------------------------------------------|---------|
| Gross Revenue | $12 \text{ prints} \times 25 \text{ days} \times \$5.60$ | \$1,680 |
| Monthly Costs | Fixed \$100                                              | \$100   |
| Net Profit    | $1,680 - 100$                                            | \$1,580 |

#### Payback Period & Annual ROI

| Scenario         | Calculation                        | Result     |
|------------------|------------------------------------|------------|
| Break-even Point | $5,900 \div 1,580/\text{month}$    | 3.7 months |
| Annual Profit    | $\$1,580 \times 12 \text{ months}$ | \$18,960   |
| ROI (1st Year)   | $(18,960 - 5,900) \div \$5,900$    | 221%       |

Price per print\$7.

Your revenue share: 80% (\$5.60 per print)

Venue share: 20% (\$1.40)

## (3)Fast Return on Investment

### Additional Profit Streams: Boosting Your Earnings

Email Marketing Charge

200/month → +200/month → +2,400/year.

Private Events: Rent booth for  
400/event (2 events/month) → +400/event (2 events/month) → +9,600/year.

#### Sensitivity Analysis

(Varying daily print volume)

| Prints/Day | Monthly Net Profit | Annual Profit | ROI (1st Year) |
|------------|--------------------|---------------|----------------|
| 8          | \$1,020            | \$12,240      | 107%           |
| 12         | \$1,580            | \$18,960      | 221%           |
| 15         | \$2,000            | \$24,000      | 307%           |

# PART- 04

## Why Choose Us?

### Guangzhou Reyeah Technology Co., Ltd.

Guangzhou Reyeah Technology Co., Ltd. was founded in 2011, its brands: Reyeah vending machine, **phoprint**, etc. Focusing on smart unmanned retail industry design, research and development, production, sales and OEM/ODM solutions and services, it is a leading smart unmanned retail terminal software and hardware service innovation and creative enterprise.
